- Optimize inventory
- Manage global purchasing

Manufacturing
- Scale for higher production
- Adapt to demand shifts fast
- Improve inventory, cut lead times

Platform
- Integrate org-wide via BTP
- Automate for efficiency
- Cut IT costs with cloud

CUSTOMER QUOTES

The major benefit of our journey to SAP S/4HANA Cloud Public Edition is end-to-end data consistency across the entire process. The data you enter at the start is the same as the data at the end, and everything is processed in the same way.

Nino Buchholz
Director of Business Applications, Serrala Group GmbH

SAP S/4HANA Cloud Public Edition has enabled us to automate our process from production to delivery. In an environment with frequent policy changes and rapidly shifting market demands, the resulting agility and efficiency have helped us gain greater trust and more collaboration opportunities with customers worldwide.

Luo Jianyong
Director of Business Transformation and IT, Guangdong FUWO Intelligent Manufacturing Co. Ltd.
